

**Hello TEACH Members!**

**I hope that this letter finds you all doing well and enjoying the summer, despite the temperature still being a little cool!**

**We have been working very hard to get ready for the Fall Enrichment Classes. As most of you remember, due to the large amount of students we had in last fall, we have decided to offer two sessions of Enrichment. Essentially, we will be having Enrichment every week, but families will pick one set of weeks to attend, either the 1<sup>st</sup> and 3<sup>rd</sup> Thursdays OR the 2<sup>nd</sup> and 4<sup>th</sup> Thursdays. This will enable us to allow everyone to participate, yet keep the classes smaller and, therefore, less crowded.**

**The Enrichment Classes start in September, either the first or second Thursday, depending on which session you choose to attend. Parents will be expected to volunteer and help, as in the past, during the session your child(ren) attends. Teachers that are teaching both sessions can have their children attend both sessions, but everyone else will need to pick only one session.**

**We will be having Registration Day for all Enrichment Day classes on August 6<sup>th</sup> from 11-3pm at Bayview Wesleyan Church in the gym. If you are teaching a class, then you need to come between 11-12 for early sign-up (one of the perks of teaching). We will begin giving out numbers at 10:30 for teachers and teachers will be allowed to come in and register from 11-12. The open registration will begin at 12 noon for everyone else. Those numbers will be given out starting at 11.**

**Once registration begins, we will call 2-3 people in at a time to sign-up, get a volunteer job and pay. When your number is called, you will be able to go to the registration tables in the gym and find the classes you want to sign up for. The classes that have limits are specified on the class description forms and once they are full, that class will be closed. You will need to have your registration form with you and filled out (after you actually sign up for the class) to be turned in with your payment. Then you are done and can go home!**

**Also, taking place the same day is the sign-up for the Homeschool Band, Choir, Spanish and German programs. You will find information about those programs enclosed with the Enrichment Day forms. There will be tables set up to sign-up for the different programs. There will be instruments on hand to look at and someone to talk to about playing that instrument in the band. The sign-up for these programs is from 11-3, anytime. If you have any questions about these programs, please contact Jeannie Ritter at [ritter@photographer.net](mailto:ritter@photographer.net)**

**If you have any questions about this process, please email me at [susanmtownsend@charter.net](mailto:susanmtownsend@charter.net).**

**Looking forward to seeing you all!**

**Susan Townsend**
